Comments on teaching (strengths, areas for improvement)

[Student 3848](#) - I went to the other section's recitation and the TAs rotated through.

[Student 8279](#) - Kamessi helped our team understand our issues on the retailer game report. She always responded very quickly and concisely.

[Student 25072](#) - always willing and available to help!

[Student 26065](#) - Thanks Kamessi!

[Student 34535](#) - Kamessi was very helpful every time I reached out to get clarity on the class material.

[Student 39000](#) - Was extremely responsive, patient, and supportive!
